A serene sunset scene over a calm ocean. The sun is a bright, glowing orb on the horizon, casting a warm orange and yellow light across the sky and water. The sky is filled with soft, wispy clouds in shades of orange, pink, and blue. The ocean's surface is textured with gentle ripples and small waves. In the foreground, the sandy beach is visible, with the ocean's edge creating a white, foamy line of surf. The overall mood is peaceful and contemplative.

Adieu for Now.
